AUTHORIZATION TO RELEASE INFORMATION PAYMENT/FINANCIAL AGREEMENT

In connection with the medical services currently received from Joseph & Swan Eye Center, ("the practice"), the undersigned hereby agrees as follows:

Authorization to Release Information: Insurers and managed care companies occasionally review medical chart to ensure compliance with the company procedures. I understand that my chart may be selected for such review and that the confidentiality of this information in my chart will be preserved and I hereby consent to such review and release the physician and such insurer or managed care company for liability for any reasonable review of my chart.

Payment agreement: I request that payment of authorized medical benefits be made on my Behalf to the Practice or any physician in their association or employ, for services furnished by said physician. I further understand that I will be solely responsible for any deductibles, co-insurance and/or <u>non-covered services</u> not payable by my insurance plan. I further understand that <u>most insurance companies will not pay for an examination for glasses or contact lens or change of lenses</u> and that I will be asked to pay for this service at the time the service is done. I authorize the release of medical information about me to my insurance carrier and its agents needed to determine the benefits payable for related services. In the event I am not covered by an insurance plan to which Joseph & Swan Eye Center belong to at the time of my visit, I understand that I am responsible to pay for services provided at standard clinic charge amounts.

Medicare Signature Authorization: Medicare <u>does not</u> pay for services provided if there is no medical eye disease or medical eye problem. If you are here to have your eyes examined for glasses only, you will be responsible for full payment because Medicare does not cover a standard eye exam for eyeglasses. Medicare has made it very clear that this is <u>not</u> a covered service, just as standard dental work is <u>not</u> a covered service. If you are here for problems with your eyes (blurry vision, red eyes, swollen eyes, glaucoma, cataracts, etc.) Medicare <u>will</u> cover the visit; however, they <u>will not</u> cover the refraction. Most Medicare supplements will also not pay. I request payment of authorized Medicare benefits to be made to the Practice for any services furnished to me by the Practice. I authorize any holder of medical information about me to release to the Centers for Medicare & Medicaid Services and its agents any information needed to determine these benefits or the benefits payable for related service.

No Insurance Coverage: I understand that should I not have insurance coverage, I am fully responsible for payment of services provided by the Practice to me or my dependents, <u>AT THE TIME SERVICES ARE RENDERED</u>, unless other financial arrangements have been made with the practice PRIOR to being seen by my physician.

Financial Agreement: I understand that Joseph & Swan Eye center will file a claim on my behalf for the services rendered at the time of service and I authorize Joseph & Swan Eye Center to receive payment from my insurance company. Should it be determined that my insurance is not valid when my insurance company receives ad presses the claim, I understand that I will be fully responsible for all charges incurred on the date of services.

CANCELLATION AND 'NO SHOW" FEE POLICY: We reserve the right to charge a fee of \$50 for all missed appointments (No Shows) and appointments which are not cancelled with a 24-hour advances notice. This fee is not covered by insurance and MUST be paid prior to your next appointment being scheduled. Multiple "no shows" in any 12-month period may result in termination from our practice.
